Harton Moor (2022)

1

00:00:01,800 --> 00:00:05,629

So I'm Jessica and I live on Harton Moor.

2

00:00:10,343 --> 00:00:13,213

I've got lots of friends in my street

3

00:00:13,214 --> 00:00:16,843

and I got that much friends that

4

00:00:17,414 --> 00:00:20,829

I can't even count how
many friends I have.

5

00:00:22,600 --> 00:00:28,740

It's a big street. When I first moved
one of my friends,

6

00:00:28,760 --> 00:00:31,829

they were showing me around the streets

7

00:00:32,229 --> 00:00:35,514

if I want to go to meet friends.

8

00:00:35,680 --> 00:00:41,771

To make friends I could go somewhere

knock on them and then their houses.

9

00:00:42,557 --> 00:00:45,871

I just play "What's the time Mr. Wolf?"

10

00:00:47,000 --> 00:00:49,014

And I just play on my bike.

11

00:00:49,818 --> 00:00:53,243

I mostly play on my trampoline,
only sometimes though.

12

00:00:54,010 --> 00:00:57,486

I don't play on my own,
because we have to always go out

13

00:00:58,757 --> 00:01:02,629

and we'll come back
sometimes like really late,

14

00:01:03,286 --> 00:01:05,529

but then when it's snowing,
it's really fun,

15

00:01:05,530 --> 00:01:10,243

because I like to make snow angels

16

00:01:10,343 --> 00:01:14,557

and to get snowballs off each other.

17

00:01:24,343 --> 00:01:26,029

The first house,

18

00:01:27,443 --> 00:01:31,557

they normally clean,

like doing stuff in the gardens.

19

00:01:33,314 --> 00:01:36,471

They have loads of beautiful flowers

20

00:01:39,300 --> 00:01:42,271

and they spend lots of time
making them,

21

00:01:42,272 --> 00:01:45,014

and sometimes I see people

22

00:01:46,886 --> 00:01:48,900

standing all over them,

23

00:01:49,243 --> 00:01:57,100

so I just tell them to don't do that,
because that's not very kind.

24

00:02:01,000 --> 00:02:03,457

The one with the black garage,

25

00:02:05,800 --> 00:02:10,029

that's your house, your mom lives there...

26

00:02:12,720 --> 00:02:15,971

Porridge, you, and Jeff.

27

00:02:17,943 --> 00:02:22,757

You take Porridge and clean the house,

28

00:02:24,640 --> 00:02:29,929

go out in the car shopping,

29

00:02:31,120 --> 00:02:37,786

and you have an art room

and you do arts and crafts.

30

00:02:40,743 --> 00:02:42,629

This is about awesome crafts.

31

00:02:42,871 --> 00:02:44,429

I like doing knitting.

32

00:02:44,430 --> 00:02:51,943

I want to do some knitting

to knit cardis,

33

00:02:52,814 --> 00:02:56,871

blankets, the stuff what you can...

34

00:03:03,700 --> 00:03:05,686

The one with the blue one

35

00:03:07,330 --> 00:03:12,286

is the one with Dobby, the dog,
and Quiana.

36

00:03:14,029 --> 00:03:17,500

Quiana's step-dad lives there.

37

00:03:22,040 --> 00:03:32,243

The ma'am, Quiana and Dobby,
and sometimes the brother comes

38

00:03:33,090 --> 00:03:35,386

and sees them.

39

00:03:37,600 --> 00:03:39,486

The one with the black car,

40

00:03:40,610 --> 00:03:42,286

he is called

41

00:03:43,130 --> 00:03:49,229

David... Dave I mean,
And he has a little son called Lewis.

42

00:03:51,000 --> 00:03:56,714

Next door, like on the right,
I think, or left.

43

00:03:58,960 --> 00:04:00,971

There's a boy called Leon.

44

00:04:06,257 --> 00:04:08,586

He never want to play out now.

45

00:04:10,920 --> 00:04:14,571

So, in my house,

46

00:04:15,850 --> 00:04:18,171

my mom, my dad,

47

00:04:20,429 --> 00:04:28,157

Michael, Jordan, Stephanie,
Molly.

48

00:04:35,271 --> 00:04:37,057

Bruce and Hernie.

49

00:04:42,957 --> 00:04:46,828

We got Brett in his ashes
on the shelf,

50

00:04:46,829 --> 00:04:51,771

so he's in my house still,
and my two grand dads.

51

00:04:53,429 --> 00:04:55,414

And that is...

52

00:05:06,320 --> 00:05:09,014

26 people, I think.

53

00:05:10,500 --> 00:05:18,699

If I wanted to move

and I wish that I could get my own house,

54

00:05:18,700 --> 00:05:23,386

like my mom's house

and picked it up and take it there.

55

00:05:28,600 --> 00:05:31,314

About somewhere around

56

00:05:34,040 --> 00:05:35,814

Horsley Hill.

57

00:05:36,614 --> 00:05:37,614

Yeah.
